Page 30	Page 32
<p>1 5th when you were informed by Mr. Shipp that he needed his 2 orthotic shoes?</p> <p>3 A I told the nurse to write down that he needs his shoes, 4 yes, sir.</p> <p>5 Q Can nurses write prescriptions at SWACCC?</p> <p>6 A It's not a prescription.</p> <p>7 Q Okay. Can nurses write approvals for medical devices?</p> <p>8 A Doctors do it.</p> <p>9 Q Right, correct. So you did not write the approval for a 10 medical device on February 5th; correct?</p> <p>11 A I told the patient to get his shoes if he has them. I 12 told him personally.</p> <p>13 Q And that's all you did?</p> <p>14 A That's all I did, and the nurse documented.</p> <p>15 Q Did you write any other -- or did you communicate this 16 with anyone else other than the nurse?</p> <p>17 A The nurse was present, and the patient was present, so the 18 three of us.</p> <p>19 Q Okay. Did you communicate it with anyone else?</p> <p>20 A No.</p> <p>21 Q Was there any other reason, in your mind, that you didn't 22 want to document this encounter?</p> <p>23 A It was documented.</p> <p>24 Q Okay. By the nurse?</p> <p>25 A By the nurse. They usually say, "The doctor orders," so</p>	<p>1 permission to wear his device.</p> <p>2 Q Okay. And that's your understanding of the policy and 3 procedure there?</p> <p>4 A That's -- yes, sir.</p> <p>5 (WHEREUPON, Exhibit 4 was marked for 6 identification and is attached hereto.)</p> <p>7 Q Okay. And here is Exhibit 4.</p> <p>8 A Okay.</p> <p>9 Q Is that the encounter you were discussing?</p> <p>10 A Yes, sir.</p> <p>11 Q What did you discuss with Mr. Shipp on the 9th about his 12 shoes?</p> <p>13 A We didn't discuss about the shoes on the 9th.</p> <p>14 Q Do you know Ms. Turner or Ms. Philson?</p> <p>15 A Yes, sir.</p> <p>16 Q And they're the same person; correct?</p> <p>17 A Yes, sir.</p> <p>18 Q Do you have any opinions on Ms. Turner?</p> <p>19 A No, sir.</p> <p>20 Q Have you ever been written up or reprimanded at SWACCC?</p> <p>21 A No.</p> <p>22 Q Do you believe Ms. Turner is an honest person?</p> <p>23 A Yes, she is.</p> <p>24 (WHEREUPON, Exhibit 5 was marked for 25 identification and is attached hereto.)</p>
<p>1 that's telling in the record that the doctor gave me permission 2 to -- well, the doctor told the patient to bring this or that, 3 so that if the warden has a question, they will approve of it 4 -- well, they will look at it, "Well, the doctor ordered for 5 the patient to wear those shoes or this device."</p> <p>6 Q So CCS staff, based off your instruction to the nurse, 7 should have coordinated the approval of the shoes?</p> <p>8 A Well, in this particular case, the patient has to call and 9 get it shipped to the unit.</p> <p>10 Q Right.</p> <p>11 A Yes.</p> <p>12 Q And do you know if CCS staff is telling the patient that 13 he has to get approval to do this?</p> <p>14 A No. I told the patient, not CCS. I told the patient in 15 front of the nurse to get his shoes shipped to the facility --</p> <p>16 Q Right.</p> <p>17 A -- so he could wear them.</p> <p>18 Q Right. But you didn't write a note saying that?</p> <p>19 A I don't have to write a note, sir. I told him to. So 20 what he does, he will get it, and he'll bring it, and then the 21 warden will have to go through the protocol to let him have it.</p> <p>22 Q Okay. So how does this information get to the warden?</p> <p>23 A The patient will order; and once the shoes arrive, then 24 the warden will call the floor and ask, "Did you guys okay 25 this?" "Yes." That's how it goes. And then he will have the</p>	<p>1 Q I'm going to hand you what's been marked as Exhibit 5. 2 Did you review any emails prior to your deposition today?</p> <p>3 A Emails? Tons of emails, yes, sir.</p> <p>4 Q Okay. With regards to this case?</p> <p>5 A Yes, sir.</p> <p>6 Q Okay. Do any of the emails stick out in your mind?</p> <p>7 A No.</p> <p>8 Q Okay. So none of the emails are critical of your care of 9 Mr. Shipp?</p> <p>10 A Not that I can recall.</p> <p>11 Q Okay. I'm going to hand you Exhibit 5 and just give you 12 some time to read through that email.</p> <p>13 A Okay. Yeah, I've seen this.</p> <p>14 Q Okay. Do you agree with that email and what it describes 15 as far as your actions?</p> <p>16 A Yeah.</p> <p>17 Q Yes?</p> <p>18 A Yeah.</p> <p>19 Q Is that a yes?</p> <p>20 A That's a yes.</p> <p>21 Q Okay. So you agree that you told someone that you refused 22 to document treatment due to it being too much of a liability?</p> <p>23 A Well, I said, "I cannot document a visit that I didn't 24 do," so I can't write a note, history, physical, assessment, 25 plan on a patient that I didn't see --</p>

<p style="text-align: center;">Page 38</p> <p>1 it on a separate sheet of paper. 2 Q But on the February 5th one that you referred to, you 3 don't see anything in that one recommending bed rest? 4 A Ms. Smith's -- let me look for Ms. Smith's note. It's 5 right after this, and it looks like this. It's right after 6 this one, and it looks like this. You can see -- 7 Q That you filled out? 8 A Like I said, I gave the order to the nurse, so they fill 9 it out. I didn't see the patient. This was just the 10 interaction between me, the patient, and Ms. Smith, who was 11 actually seeing the patient. So just like I told the patient 12 to get the note (sic) from family, she documented that. 13 Q Right. 14 A And, again, for bed rest, she documented that, yeah. 15 Q You're saying the nurse would have filled out that similar 16 form that you're referring to as Exhibit 3 -- 17 A It looks like this. It looks like this one. 18 Q Okay. And so that note would be signed by the nurse on 19 the very back where -- 20 A And, also, I think the same as another note for my 21 elevator pass that looks just like this. 22 Q And you've seen that? 23 A I've seen it. 24 Q That looks like that document? 25 A They look pretty similar.</p>	<p style="text-align: center;">Page 40</p> <p>1 A The patient gets a copy. This is our copy. 2 Q Okay. Do you know whether Mr. Shipp got a copy of this? 3 A He had one. 4 Q Okay. Do you -- how do you know that? 5 A I don't know, but he's supposed to have one. 6 Q Okay. Do you know why he was not put on bed rest on 7 February 5th? 8 A That happened. I can't know whether he wasn't put on bed 9 rest. I wrote an order. And every time you write orders, the 10 patient will have it; and if they are on bed rest and they're 11 going to maybe the supervisor, all they have to do is get the 12 order and show it to them, and they're free. So that's how it 13 works. 14 Q And I'm going to mark this as Exhibit 6. And you're 15 indicating bed rest based off the asterisks next to these items 16 there? 17 (WHEREUPON, Exhibit 6 was marked for 18 identification and is attached hereto.) 19 A Yes, sir. 20 Q Okay. Does that have to be communicated to the SWACCC 21 staff? 22 A We give the patient a copy. 23 Q And do you know whether that copy was actually given to 24 the patient? 25 A They always have a copy. If it's written, they have a</p>
<p style="text-align: center;">Page 39</p> <p>1 Q Is that a document that a physician fills out or a nurse? 2 A The nurse -- we can give them a verbal order, and they 3 will do just like this. They will fill out like this, yeah. 4 They have -- 5 Q They will fill out that Exhibit 3? 6 A This is not the elevator pass, but I'm saying it's similar 7 to this. 8 Q Okay. 9 A This is me. This is the physician. You have a note 10 similar to this. And I have it upstairs. If you-all want to, 11 I will get it, because I have it. 12 MR. FRANSEEN: Let's take a break -- if you have 13 the documents that you've seen -- 14 THE WITNESS: Yes. Let me just go get it in 15 the -- 16 MR. FRANSEEN: -- I'll be more than happy to 17 look at those. 18 THE WITNESS: All right. Let me just go get it 19 quick. 20 (WHEREUPON, after a break was taken, the 21 proceedings were resumed as follows, to-wit:) 22 A That's the bed rest that I was talking about. 23 Q (By Mr. Franseen) And we're back on the record. Who is 24 supposed to convey this to the SWACCC staff that he is on bed 25 rest?</p>	<p style="text-align: center;">Page 41</p> <p>1 copy. 2 Q I'm just asking if you have any personal knowledge of 3 whether Mr. Shipp got that? 4 A I write this all the time, and I put the orders in all the 5 time, and I give orders to nurses. I've never had any problem, 6 so they always have the copies. 7 Q And if he was not given a copy of that, would that be 8 inappropriate? 9 A If he wasn't, absolutely, but I cannot say whether or not 10 he did. 11 Q Do you know why the bed rest isn't noted in the February 12 5th nurses' note by Nurse Smith? 13 A I cannot speculate. 14 MS. ODUM: Does she have the note to look at? 15 MR. FRANSEEN: Yes. 16 MS. ODUM: Is that one of these? Which one is 17 that? 18 MR. FRANSEEN: I believe it's Exhibit 3 or -- 19 MS. ODUM: 4? 20 MR. FRANSEEN: -- 4 maybe. 21 MS. ODUM: I'm just -- or 6 -- yeah, 4, that's 22 the note he's referring to. 23 THE WITNESS: Okay. Sorry. Yes. 24 A And, also, my elevator pass was scheduled at five days, 25 elevator pass. It actually says, "Gave the inmate verbal</p>

<p style="text-align: center;">Page 42</p> <p>1 instructions regarding medical treatment, and he verbalized 2 understanding." So she did everything that I -- 3 Q (By Mr. Franseen) And does it -- 4 A -- I asked her to. 5 Q -- does it mention bed rest in that note? 6 A Not specifically. 7 Q And does it mention any prescription for any wheelchair or 8 crutches? 9 A I don't see any. I didn't order a wheelchair. 10 Q So that's a no? 11 A No. 12 Q If the SWACCC facility was continuing to maintain that he 13 follow through with his program as far as having to stand at 14 the meetings, walk to various places, would that be against 15 your bed rest orders? 16 A It would be, yeah. 17 Q And if Mr. Shipp was not advised of your bed rest orders, 18 not provided that document, would that be improper? 19 A I can't really speculate on this one. 20 Q Okay. Other than Nurse Smith, did you speak with anyone 21 else on February 5th about Mr. Shipp's care? 22 A Not to my knowledge. 23 MR. FRANSEEN: I will pass the witness. 24 EXAMINATION 25 BY MS. ODUM:</p>	<p style="text-align: center;">Page 44</p> <p>1 A For bed rest and elevator -- what was it -- 2 Q Elevator? 3 A Yeah, elevator pass. 4 Q Okay. 5 A Yeah. Well, it was also instructed him to only go to the 6 dining -- you know, not going to activities, just limited to 7 dining, pill window, shower, so restricted activities. 8 Q So that keeps him from having to go all over the place? 9 A Yes, ma'am. 10 Q So that could mean "Voice Order Bed Rest" if it's not -- 11 but you don't know -- 12 A It's possible, but I don't know. 13 Q Ms. Smith will have to explain that? 14 A She will have to. I can't tell you. 15 Q Okay. 16 A Yeah. Maybe that's her initials, but I can't tell you for 17 sure. 18 Q That's fine. That's fine. 19 Now, you said something earlier. You were asked if all 20 encounters have had -- were to be -- you know, have notes. 21 Now, not all -- is every time you look at a patient considered 22 an encounter? 23 A No, ma'am. 24 MR. FRANSEEN: Object to form. 25 Q Okay. Now, are all notes that you make in a file SOAP</p>
<p style="text-align: center;">Page 43</p> <p>1 Q That Exhibit 4 that's in front of you, right under the 2 elevator pass note -- wait. Don't mix these in. Those go with 3 the court reporter. 4 A Oh, okay. Sorry. 5 Q Just set those aside. 6 A Okay. 7 Q Now, looking at Exhibit 4, I'm curious, right underneath 8 the area where it says, "Temporary Elevator Pass," it has this 9 "VO." What does "VO" mean? 10 A Voice -- I don't know what that is. It's -- 11 Q Is it voice order? 12 A Yes. Yes. I'm sorry. 13 Q And then it says, "VORB." What if that had said, "VOBR"? 14 A VOBR? 15 Q If it didn't say, "RB," if those letters were transposed 16 and said, "VOBR"? 17 A Verbal order -- I don't really understand. 18 Q Well, what were your verbal orders that day? 19 A Oh, an elevator pass. 20 Q And? 21 A And antibiotics and get device from home -- ask family or 22 write to family to bring device to the facility, and naproxen 23 for the pain, and restrictions. 24 Q And what about the order you-all just went over, the 25 script? What was the script for?</p>	<p style="text-align: center;">Page 45</p> <p>1 notes? 2 A No, ma'am. 3 Q Okay. And the email marked as 5, actually, was Doctor -- 4 I'm sorry -- was Ms. Turner critical of your patient care, or 5 was she critical of note-taking? 6 A She was not critical. This particular conversation 7 happened many, many days after I had seen Mr. Shipp, and she 8 just wanted me to write a note right there, and I couldn't do 9 it because it was not -- it's not right. You don't write a 10 note on something that you didn't do, so I just -- 11 Q So that was your problem, what you meant by "liability," 12 if -- 13 A Yes, ma'am. 14 Q -- if you wrote a note that you examined him and you 15 didn't? 16 A Yes. I didn't want to do that, because it's not true. 17 It's fraud. 18 Q Okay. And this email is her wording; is that correct? 19 A That's her. 20 Q Did she record everything you discussed? 21 A She didn't. 22 Q Okay. 23 MS. ODUM: That's all. 24 MS. MIDDLETON: I don't have anything. 25 FURTHER EXAMINATION</p>

<p style="text-align: center;">Page 46</p> <p>1 BY MR. FRANSEEN:</p> <p>2 Q I have one quick little follow-up. And we can print this 3 out later as Exhibit 7, but just so, if that's okay, it's 4 easier, I'm going to show you what's CCS 9. Is this a form 5 similar to what Nurse Kendall Smith filled out?</p> <p>6 (WHEREUPON, Exhibit 7 was marked for 7 identification and is attached hereto.)</p> <p>8 A Yes, I think so.</p> <p>9 Q Okay. And so you see, on this form, there's little boxes 10 next to the items; correct?</p> <p>11 A Yes.</p> <p>12 Q Okay. This one under Part 3, it says, "Had in 13 possession," the box when it's checked, there's a checkmark in 14 the box; correct?</p> <p>15 A Yes.</p> <p>16 Q And then the same for "Elevator Pass," there's a checkmark 17 in that box as well when it's filled out; correct?</p> <p>18 A Yes.</p> <p>19 Q Okay. And this was filled out by Nadia Brown on February 20 12th, 2016?</p> <p>21 A Yes.</p> <p>22 Q Okay. Going back to Exhibit 6, there's no checkmarks in 23 any of those boxes; correct?</p> <p>24 A Not this one.</p> <p>25 MR. FRANSEEN: No further questions.</p>	<p style="text-align: center;">Page 48</p> <p>C E R T I F I C A T E</p> <p>STATE OF ARKANSAS))ss COUNTY OF FAULKNER)</p> <p>I, KRISTY L.
